5. CHAIRPERSON'S REPORT

Eric Wolff, County of San Diego: The County of San Diego held a stakeholder outreach meeting to discuss proposed changes to the construction and demolition (C&D) recycling ordinance (3/20). Discussion topics included markets for C&D materials, stockpiling materials, and use of virgin materials. The County will hold the final stakeholder meeting to discuss proposed changes to the non-exclusive franchise hauler agreements in May. Eric also shared HF&H's SB 1383 detailed checklist. This is a guidance document that highlights key requirements for SB 1383 jurisdiction compliance.

6. PRESENTATION-None.

7. SUBCOMMITTEES' REPORT

- a. **Household Hazardous Waste-** The group is following SB 212 rulemaking. This bill will establish a stewardship program for the collection of medications and sharps.
 - i. IWMTAC members discussed the waste management of electronic cigarettes.
- b. **Organics-** No report.

8. LEGISLATION

Eric Wolff, County of San Diego: Eric reported on the following:

- **AB 215:** would create a new misdemeanor crime for the fourth or subsequent conviction of illegal dumping on private property punishable by imprisonment in a county jail for up to 30 days and a fine of \$750 - \$3,000.
- **AB 792:** would set a series of graduated minimum recycled content levels for all plastic beverage containers, starting at 25% in 2021.
- **SB 54 & AB 1080:** would require CalRecycle to adopt regulations to source reduce or recycle at least 75% of single-use plastic packaging and products sold in California by 2030.

9. ROUNDTABLE

Ashlee Stratakis, City of Encinitas: Ashlee requested information on whether any jurisdictions had zero waste ordinances for special events.

Eric Wolff, County of San Diego: The County will be working with N&R Publications to develop an informational news insert focusing on recycling correctly, reducing contamination, reuse and repair. Once developed, interested jurisdictions will have the opportunity to purchase copies.

IWMTAC Members: IWMTAC members discussed the [Recycling Partnership's calculator](#) that is based on the EPA WARM model. This is an interactive calculator that estimates the tonnage of recyclables and related water and greenhouse gas savings possible.

10. ADJOURNMENT AND UPCOMING MEETINGS

Meeting adjourned. The next meeting is scheduled for Thursday, May 2, 2019.
